## **Mantis Shrimp**

- Hook – Size 2 -6
- Weight – Bead chain or small dumb-bell eyes
- Tail – Tan Craft-fur, same length as body. Strands of flash material can be added.
  - Cut at different lengths
- One set of rubber legs are added at this point (pumpkin with black flecks)
  - burnt mono eyes - optional
- Body – One turn of tan Craft-fur dubbing then another set of rubber legs, followed by another turn of tan dubbing and another set of rubber legs, 3 sets in all.
- Then dub the rest of the body and tie off. If you don't have craft-fur for the body material there are many new dubbing materials that can be substituted.
  - You can add a weed guard with a loop of 30-40lb stiff mono
