SEND YOUR ANNUAL SUPPORTING CONTRIBUTION!

The \$20 Annual Supporting Contribution (ASC) per year covers not just the production of the Conservationist (8 issues), but also helps in sending it to many of our local tackle shops, newspapers, other TU chapters, DNR offices, and others. The remaining portion is also used to pay for the meeting room rentals and other chapter administrative expenses. Full-time students are not expected to make an ASC, if we have their expected graduation date. Please complete and return this form with your check for the coming season. The Conservationist distribution is only available electronically.
