

## 2020 Fly Tying Class

PPTU is pleased to announce a **Fly Tying for Beginners** class starting in February. This is a great opportunity to beat the winter blues and learn how to tie your own flies from our own resident expert and teacher, Bob Dietz. Even if you know how to tie, this a good refresher class and additionally an opportunity to get out and tie some flies with friends for a few weeks in preparation for a New Year of fishing.

The Class will be held in 6 sessions, on Tuesday evenings beginning February 4 and ending March 17, skipping February 25. The sessions will be held at the Margaret Schweinhaut Senior Center in Silver Spring (where we hold our monthly meetings) from 7 to 9 PM. The cost will be \$75 if you've paid your ASC to the chapter, or \$95 otherwise. The number of spaces will be limited, your spot will be reserved once we've received your payment. Since these sessions will be held on weeknights, and the rod building class is held on Saturdays, you can enroll in both.

Tyers must supply their own vice and tying tools, which are available locally from fly shops and sporting goods retail stores, and on-line from multiple sources (e.g., J Stockard, Hook & Hackle, Orvis, etc.).

Participants will be required to supply their own vice tools, but may wish to wait until after the first class before purchasing any if they don't already own them. If you're unsure about making the purchase, we'll have a spare tying vice and tools on hand during the first and second classes. Materials for tying each fly will be provided to every student. This is a fun and very informative class.

You can send in your payment either of two ways:

You can pay via Paypal on our website at <https://www.pptu.org/j-d/donate>. If you do this **BE SURE TO INCLUDE A NOTE WITH YOUR PAYMENT INDICATING THAT IT'S FOR THE TYING CLASS.**
