Mid-Atlantic Council 2 Fly Tournament Postponed

**The Mid-Atlantic
Council's 2-Fly
Tournament has
been postponed
until October
20th.**

Unsafe high stream flows of the Savage River required the MAC-TU to postpone its Second Annual 2-Fly Tournament from this Saturday to Saturday, October 20th.

Same location - New Germany State Park near Grantsville in Garrett County, Maryland. Same schedule - begin at Big Run Pavilion at 8:00 AM for light breakfast, 2 hours of AM Savage River fishing, lunch, 2 more hours of Savage River PM fishing, followed by a Reception and Awards Ceremony beginning at 4:30 PM.

Tournament Participants and Volunteers Needed!

Grab your fishing buddy and sign up to be a two-person 2-Fly Tournament fishing team at \$200 per person, \$400 per team, or volunteer to be a stream judge. The Tournament is limited to no more than twelve two-person fishing teams.

Stream judge volunteers are needed to accompany the fishing teams and record their fishing success.

Tournament participants and volunteer judges will be first-hand witnesses to the excitement and beauty of the stream. Reception tickets for those not fishing or volunteering are \$50 each. To register to fish, volunteer to be a stream judge, or purchase a reception ticket contact:

The 2-Fly Tournament is MAC-TU's major fundraiser, and benefits its extensive conservation efforts, including work with MDE and DNR on regulation and protection activities, our state-wide Trout in the Classroom youth conservation education program, and active participation in Trout Unlimited's national conservation agenda. Your needed support for the Tournament will help make it possible for MAC-TU to continue and expand its critical conservation efforts and activities.

Your help is needed! We'd really like to see you on the stream.
