

Potomac-Patuxent
Chapter #236

Fly Fishing Gear Swap Meet

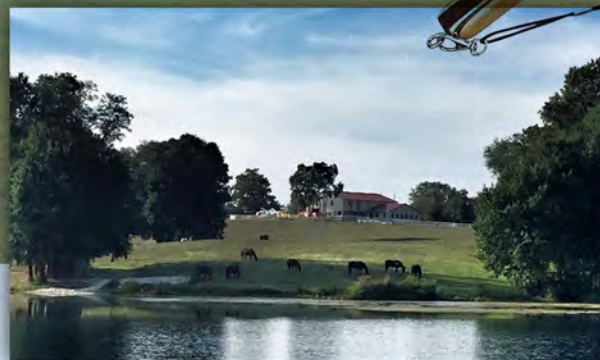

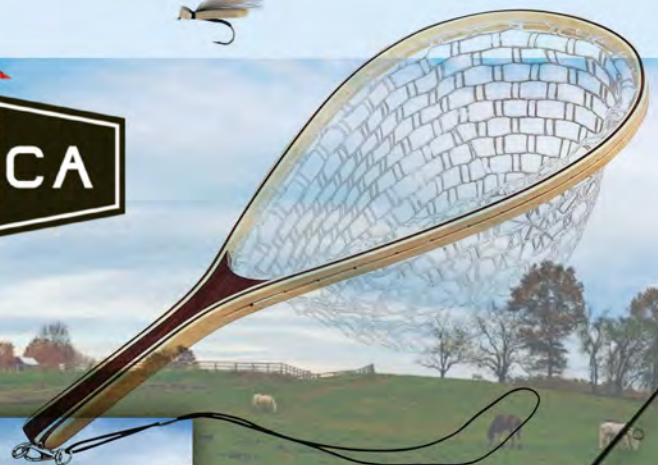

Thursday, June 20th 5-8pm

The Potomac-Patuxent Chapter of Trout Unlimited (PPTU) invites you to join the fun!

PPTU is once again pleased and excited to team up with the Waredaca Brewing Company and offer a "Fly Fishing Gear Swap" event on Thursday, June 20th from 5-8pm.

We have a TON of new and lightly used gear, fly rods, gadgets and flies that will be up for sale. If you're considering buying some stuff, hold off until this event! You may find what you need for cheap. If you wish to sell items at this event, check our forum and website for information and/or email: Mail@pptu.org.

Waredaca is Montgomery County's premier farm brewery, committed to sustainability, local ingredients and brewing beer using the best practices possible. Waredaca shares some of same ideals as TU as they strive to maintain or enhance a stewardship mindset with focus on the environment and our limited impact to it.

Waredaca Brewing Company
